To: Yunnan Agricultural Vocational Technical College

Subject: To attend the cooperation and exchange talks at the Lao Agriculture and Forestry Research Institute from February to March 2025.

We extend our heartfelt gratitude to Yunnan Agricultural Vocational Technical College for its unwavering care and support towards the agricultural development in Laos.

In alignment with the Global Development Initiative proposed by President Xi Jinping and the spirit of the speech of the General Secretary of the Central Committee of the CPC Central Committee on the outcome of the third Belt and Road on October 20, 2023, the important consensus reached by the top leaders of the two countries. National Agriculture and Forestry Research Institute is pleased to announce the organization of a Cooperation and Exchange Symposium scheduled to take place between February and March 2025. The objectives of this symposium are as follows:

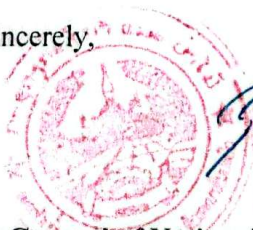

1. Communicate with relevant agricultural schools in Laos on joint school running, personnel training and science and technology promotion;
2. Introduce new varieties of cattle represented by West China cattle to Laos to help Laos lead the livestock development with science and technology; discuss the donation of animal breeding technology;
3. China and Laos jointly investigate the breeding and breeding base of West China cattle.

We cordially invite the following distinguished experts to participate in this symposium:

- 1) Professor Su Huawei: Member of the Party Committee and Vice Chancellor of Yunnan Agricultural Vocational Technical College.
- 2) Professor Liu Shaogui: Senior Animal Expert.
- 3) Professor Qian Lindong: Dean of the College of Animal Science and Veterinary Medicine.
- 4) Dr. He Xiaoming: PhD in the genetic improvement of HuaXi cattle.

We deeply appreciate the long-standing support and guidance provided by your esteemed institution to the agricultural sector in Laos. We eagerly look forward to welcoming all the experts to this significant event.

Yours Sincerely,
